

## With the Alert Boy Scouts of Maui

Where are the men to lend a hand?  
Echo it far and wide,  
Men who will rise in every land,  
Bridging the "Great Divide."  
Nation and flag and tongue unite  
Joining each class and creed,  
Here are the boys who WOULD do  
right  
But where are the men to lead?  
—British Headquarters Gazette.

### 1921 and Before

In November, 1921 there were about four troops who were doing a half hearted sort of program. No specially arranged program being carried out and troop leaders or scout masters were continually changing. Naturally the boys were either disgusted or discouraged, and the troop rapidly died.

Two of these troops in Wailuku disbanded. At Puunene the program had been headed up by a couple of earnest and thorough men and this troop is now one of the best on the island.

Lahaina troop is a remarkable troop. It has struggled on for at least three years, many times without a scoutmaster. Today it has a membership of over forty-four scouts, and though without a scoutmaster at the present time, the interest is so keen that the assistant scoutmasters with the help of the commissioner are holding them together in great form.

Too much praise can not be given to the men who have headed up the troops and given of their time and in many cases money.

They have stood by their troops through all its ups and downs. Sacrifices have been made and discouragements overcome. In no case has any one been asked to contribute to the upkeep of these troops. They earn their own money to pay for their uniforms, flags and equipment. This is the idea as taught us from National Headquarters. Thrift, each scout to stand on his own feet.

### TROOPS

#### No. 1 Paia, Maui 1

Registered December, 1920 with a membership of 21 scouts. Paia has had a hard up hill grind. Many of the original members were only joiners. It has had about three different men as scoutmasters for short terms only. Boys were hard to interest, interest lagged, then the troop slumped. It is now a wide-awake troop, scouts are showing a keen interest and passing tests continually. At present without a scoutmaster.

#### No. 2 Puunene, Maui 2

Registered December 1920 with a membership of 18 scouts. A steady go-ahead troop. Mr. Martin was the scoutmaster for quite a time, he left for one of the islands, the troop was then taken over by Mr. Wm. Kan. It is again under the leadership of Mr. Martin. The two first class scouts who qualify tonight are from this troop.

#### No. 3 Wailuku, Maui 3

Registered December 1920 with a membership of 38 scouts by the end of December 1921. It growth has been very steady, up and down. The hardest troop to handle on Maui. This troop has been reorganized three times. Mr. Frank Crockett has been a steady faithful dependable worker but his task is a hard one. With all its ups and downs Wailuku is second on the list for tests.

#### No. 4 Kipahulu, Maui 4

Registered April 1921 with a membership of 25 scouts. A splendid troop who have never lost interest since its first meeting. Every scout has paid for his uniform and equipment by working it out on the plantation. The boys are keen for scouting and have given a number of demonstrations and shows. The principal of the school and the proprietor of the picture show house speak very highly of the splendid spirit of scouting and what it has done for the community.

#### No. 5 Lahaina, Maui 5

Registered March 1921 with a membership of 29 at the close of December 1921 the membership was 48. This troop has had a remarkable history as previously mentioned. They have passed more tests than any troop on Maui and are still keeping up the record. At present without a scoutmaster.

#### No. 6 Makawao Maui 6 "Bronco Busters"

Registered February 1921 with a membership of 16 scouts in December 1921 it had 18 members. Mr. Frank Langa scoutmaster. This is a splendid small troop and has been steadily sticking to a real live scout program. The scouts are continually passing tests and carrying on an outdoor program when ever possible.

Thirteen of this troop with three of the Council made a six days horse back trip to the volcano or crater and over the Ditch Trail. This trip put Kipahulu and Hana in touch with outside scouting. This troop also held special services in the Makawao Catholic cemeteries on Memorial day.

#### No. 7 Spreckelsville, Maui 7

Registered May 1921 with a membership of 12 scouts at the end of the year a membership of 18 scouts. Small troop but full of pep and energy. Mr. Brown its present scoutmaster has been with the troop from the start. He is heart and soul in the work and is a believer in the great outdoors. Many are the hikes and week end camps these husky boys enjoy under his leadership.

#### No. 8 Hana, Maui 8

Registered September 1921 with a membership of 24 scouts at the end of the year 27. A splendid organization and highly thought of in the community.

The troop was formerly in charge of Mr. Nevingold who later left for the states. It is now in charge of scoutmaster Clarence Hawkins formerly a member of the commissioners troop in Honolulu. This troop is fully equipped and wear lauhala hats. Test passing is their passion. One of the members of this troop saved the life of a man who had fallen in the ocean. It was a splendid deed and the com-

missioner is now getting data for the Court of Honor so that this scout may receive a medal for his bravery.  
No. 9 Kahului, Maui 9  
Registered October 1921 with a membership of 19 scouts. This is the baby troop but they are making a record that will be hard to duplicate. Mr. Spencer the scoutmaster of this troop was formerly a scout and scoutmaster in Honolulu. His heart is in the work and his scouts are catching his spirit. Toshi Enemoto of this troop has the record of getting his second class scout qualifications in two months. Many scouts in other troops are still tenderfoot at the end of a year.

Lahaina scouts had committee to visit commissioner during the time he was confined to hospital.

There are many other good turns performed by individual scouts that make a splendid record for a YEAR OLD organization.

Scouting  
Scouting is a practical plan for working out the pent up energies of a real live He boy. It teaches unselfish service to individuals and to the community. It is the logical plan for inculcating real AMERICANISM.

In this respect Scouting is UNCOM-PROMISING. All must be AMERICAN and stand for AMERICA.

No creed or religious belief is interested with. Religion is for the Church to teach. Our pledge is broad and liberal, and the Scout is taught to live a life Physically Strong, Mentally Awake and Morally Straight.

For 1922  
Scoutmasters' Organization.  
Patrol Leaders' Organization.
